ACTIVITY:	PROGRAMME AREA	THEMATIC CATEGORY	DIMENSION (REGIONAL, NATIONAL, EUROPEAN)	BRIEF DESCRIPTION
Youth Spaces		YP&S	R	Places on the map of Lublin, created by young people for young people and co-led by young people. It will be a network of locations, such as in schools, public libraries, cultural institutions or the city hall. The rules and programme in force in The Space for Youth will be developed by young people and will include meetings, workshops, debates, seminars. We assume the creation of a network of at least 15 locations for youth sites.
Interactive Information System for Youth		YP&S	R, E	A mobile app - showing youth-friendly places/environments and events in the city. Discounts for youth with Youth Lublin Card. Corresponding branding on youth friendly places, possibility to download Lublin Tourist Card, school ID and public transport ticket functionalities (when compatible with existing solutions).
Child & Youth Support Centre		YP&S	R	A place offering complex help for kids and adolescents - often crime victims- set up with the aid of Empowering Children Foundation. Psychological, therapeutical, medical and family assistant support. Also adopted to police and judge hearings for under 18 crime victims Open 5 days a week with 24/7 helpline for youth. Will be 5th of its kind in Poland and first in Eastern Poland. Joint venture project of Municipality and youth organizations.
Urban Youth Activator		YP&S	R	A system of mini grants for the implementation of social and civic youth initiatives. Around 80 initiatives carried out by informal groups of young people - pupils and students - will be funded for between 250 - 1,250 EUR each.
Youth City Council Award		YP&S	N	Award for distinguishing actions for young people presented by the Youth City Council of Lublin. In 2023, there will be a special edition in which young people will want to honor people who are particularly supportive of their activities from Lublin, Poland and Europe.
Youth Information and Development Centre		YP&S	R	Development of existing centre: place offering information on education, work, volunteering, and advisory services for youth. Youth information, cooperation within structured dialogued, workshops on youth policy, meetings with decision makers, together with opportunities to involve in local and international youth projects. Full time professional Eurodesk and Erasmus+ advisory and career advisor available.
European Youth Week		YP&S	R, E	Every 2 years European Commission celebrates first week of May as European Youth Week. In 2023 we want to held a very special celebration in Lublin – European Youth Capital. Together with youth organizations, Eurodesk and Erasmus+ regional points we're gonna make 2023 a special year for young people: youth stage at Litewski Square, mobile European information points around the city, open workshops in Youtn Information and Development Center are only a small part of this youthfull celebrations.
Tolerance Programme		YP&S, Education	R, E	Open series of workshops and meetings designed and led by independent trainers from local and national ngos. There will be 2 separate programmes focused on: - Widely understood tolerance: cultural diversity, acceptance, immigrants, tolerance attitude, human rights, gender equality - Climate: climate change, threats to humanity, earth&air pollution, eco friendly solutions, zero-waste
Climate Programme		Education,	R	Each programme will consists of non-formal education tool – open air workshops, case studies, meeting with experts etc. Each programme will last about 36 hours with at least 2 groups. In case of need workshops can be held in English
International Youth Exchanges and Train the Trainer events		YP&S	E	International youth projects carried out by Lublin organisations in cooperation with international partners within Erasmus+ Programme. We predict at least 10 events yearly.

"Searching for a Common History"		Education	E	"Searching for a Common History" project implemented in cooperation with the partner city of Rishon Le Zion in Israel. Group of 24 young people from Poland and Israel discover their cultures, customs and shared history. In 2023 we plan a special edition inviting a group of youth from partner cities in Ukraine and Germany to join the project. Participants will learn and discuss both tragic and glorious moments of our common history in order to raise awareness of importance of peaceful living together in Europe and beyond. They will also have opportunity to get to know the city and each other better. The project emphasizes interpersonal aspect and relationships developed being added value.
European Parliament Simulation		YP&S	R, E	EP Assembly simulation and training carried out for young people with the aid of Lublin City Councillors. Regional all day activity with a culmination point of EP assembly simulation in a Lublin City Council Hall with a guest of honor – regional Member of EP.
Lublin Basket Cup		Sport	E	Basketball competition for young people from Lublin partner cities. The tournament involves the participation of representatives of 2 sport clubs from Lublin, 2 clubs from Poland and 8 sport clubs representing Lublin's twin cities. The city covers among others cost of accommodation and board for players.
Lublin EYC Sport Ambassador		Sport	N	Cooperation with Polish sport stars known worldwide to promote the ideas of the European capital of youth, sport and fair play
International Youth Goalball Tournament U-19 for hearing impaired youth		Sport	E	International Youth Goalball Tournament for young people under 19 - Olympic sports discipline for people with visual disabilities. The tournament will host sports teams from Poland and abroad (Ukraine, Hungary, Romania, Denmark and Sweden). The event will be organised with support of young volunteers and UMCS students. Orgnized in 2023.
Training with a Master		Sport	R	Training with a Master - organization of the open trainings for young people, led by leading Polish athletes representing Lublin clubs, champions, participants of the Olympic Games.
Nationwide Erasmus Olympic Game		Sport	N	All-Poland Olympic Games for Erasmus students. The Olympics would be divided into indoor and summer sports and take place throughout the year.
National Skateboarding and BMX Championship		Sport	N	Polish skateboard and bmx championships with points qualification for the Olympics organized at the skate park Rusalka. Two-day event - 1st day skateboard, 2nd day BMX. In addition, skateboarding and bmx workshops as well as graffiti shows would be provided during championships.
Lublin e-Sport Tournament		Sport	R	Lublin e-sport tournament - computer games tournament for Lubliners combined with traditional forms of sport, e.g. rowing ergometers, streetball, etc. The computer games would be conducted in a virtual version of the disciplines cultivated by the inhabitants of our city: football (FIFA), basketball (NBA), hockey (NHL), American football (NFL), car races and cycling races using trainers. The participants' struggles will be transmitted online.
EYC Voluntary Service		YP&S	R	Special activities for young people who through voluntary work can engage in a year-round program celebrations and take part in major events. The activities goal is also to teach young people the idea of voluntary work in general.
International volunteering for solidarity in the field of city development		YP&S	R	As part of the project, volunteers - young people from Ukraine and Poland will be involved in the organization of 4 biggest summer festivals and the Eastern Europe Initiatives Cngress 68 volunteers will watch how events are organized in Lublin, take part in them and then evaluate them from the perspective of foreigners coming to the city. Volunteers will also promote events in the social media and look after members of official foreign delegations coming to Lublin. The long-term goal of the project is to improve the organization and popularization of these events in Eastern Europe, including Ukraine and Poland.

Lublin School for Young Leaders		YP&S	R	A series of development training for young people developing their social competences and supporting their social and civic activity. We plan to take part in at least 20 young people in each edition (lasting the school year). One cycle of the leadership school will include at least 7 workshops on leadership competences, group cooperation, initiatives and the development of personal competences.
Students Alternative Music Review (SPAM)		Culture	N	Run by College Board of the Student Union of UMCS will be a nationwide music competition addressed to artistically gifted students and those seeking an alternative musical experience for listeners
Global Village		YP&S	R, E	An event taking place on the main square in Lublin, where volunteers from AIESEC who came to Lublin talk about their countries and culture and present their local cuisine. Erasmus students could also be invited to this event. The aim of the event is to increase cultural diversity awareness and promote tolerance among residents.
Lublin Open Air Festival		Culture	R	Music festival for Students, will be organised by students self-organisations and the Universities. In 2023 edition there will be a week long event co-organised by all the universities together. The musical program will be accompanied by educational activities, open lectures for seniors, film screenings.
Summer Zone		Culture	R	Summer student area: summer cinema, art galleries, museums, meeting place, coworking space, relax zone, discussion panels on topics that bother youngsters
Students Initiatives Support Fund		YP&S	R	Subsidizing fund for the bottom-up initiatives and activities of students (student organizations)
Manic Mondays		Other	R	"Students' Monday" (or another day with the lowest prices of the premises), when students, with a valid ID, would have a certain discount at cosmetics, hairdresser's, gastronomic premises, cinemas, galleries, museums, and cafés wishing to participate in the project
Unity in Diversity		Education	R, E	Implementing the Unity in Diversity program with the AIESEC organization in the City of Lublin wide. Core activity is conducting classes with foreign volunteers based on the UN Sustainable Development Goals regarding tolerance in kindergartens, primary schools, high schools and NGOs. Erasmus students could also be invited to this event. The aim of the event is to increase cultural diversity awareness and promote tolerance among residents.
Lublin Open Air Festival		Culture	R	Music festival for Students, will be organised by students self-organizations and the Universities. In 2023 edition there will be a week long event co-organised by all the universities together. The musical program will be accompanied by educational activities, open lectures for seniors, film screenings.
Zwierciadła (Mirrors) Youth Theatre Festival		Culture	N	"Zwierciadła" is a three-day theatre festival which will be organized by students of Jan Hetman Zamoyski high school in Lublin, their parents and teachers. Youth theatre groups from the whole region (approximately 15 groups) take part in the festival, during which, all the performances are judged by a professional jury members. The best theatre group is promoted to a final of National Theatre Group Festival "Zwierciadła". During the festival, the participants take part in a variety of workshops like photographic workshop, directorial workshop, stage movement workshop.
Language Caffe		YP&S, Education	R, E	There will be an informal coffee meeting of all people interested in foreign languages of the European Union and European cultures. In several coffees in Lublin between 6 and 8 pm, young people will organise meetings and will create "an only English speaking zone" or "an only French-speaking zone". The recurrent meeting (10 meetings are planned) will be a chance to meet students from a different country, entrepreneurs from abroad, who run the business in Lublin and get to know a new culture. The meetings will be led by a moderator, who is a teacher or a native speaker student. We're assessing that about 200 youth people will take part in this activity.

Multi-genre Music Festival Staś		Culture	R	Multi-genre Music Festival Staś is a great chance for young unsigned artists to perform on a professional stage with a live concert audience and professional jury members. It can be a starting point for a professional music career. The music event is entirely organised by students and their parents from Stanisław Staszic High School. It will be a one-day event, which presents 6 rewarded artists and gathers approximately 900 young people on the audience.
Cockup - Youth Theatre Meetings		Culture	N	A youth theatre meeting isn't a regular competition. This is an open workshop for every artistic group interested in, and gives a chance to show their performance to the wider audience. The show is commented by the professional, who give some guidance from experts.
The Francophonie Day		Education	R, E	This outdoor event is supposed to be a fest of culture and language of a chosen country. The event is followed by one's school idea, which lasts 20 years. A goal of this event is to promote a french culture and language and underly that learning a foreign language could be a chance for personal development. A big variety of competitions (theatre scene, singing, dancing) are a chance to show talents, promote an idea of tolerance, equality, respect for the other people. The event may be a picnic with open air cinema, presenting a movie connected with the idea of the event.
Unia Youth Film Festival		Culture	R	The Unia Film Festival is a national festival of short films organised for young, unprofessional movie makers. There is also a chance to meet people from the film industry. The festival is organised by students and teachers from a Third high school in Lublin.
The Film Odyssey		Culture	R	An open film fest, charge-free movie projections, a film discussion club and workshops about films dedicated to the youth.
Lublin City Birthday		YP&S	R, E	Special events organised by young people on 15 August 2023, commemorating the anniversary of granting the city rights. The event will have a birthday-like form with youth preparing their special present for the city - artistic performances, community projects etc. The aim of the project is to emphasise and strengthen the bonds between youth and the city and its over 700 years heritage.
Critical Thinking - ON!		Education	R	an educational project introducing young people to the world of critical thinking and philosophy, inviting them to meet, look at the world together, ask questions, give space for sharing reflections, constructive feedback and discussions. Activities carried out in open urban spaces used by young people, thanks to which it will be possible to join the meetings spontaneously. Educational materials and works under a free license will be made available on the Internet. If necessary, the project can be implemented on-line or hybrid.
Youth Cooperation Network		YP&S	R	The aim of the activity is integration and cooperation of generations of active young people from different groups, exchange of knowledge, skills and experience, as well as enthusiasm for action, based on training, project activities, mentoring, supervision and evaluation. The activity is dedicated to people from 12 to 35 years of age, who will work in three age groups: 1) youth from 6th grade to the end of secondary school, 2) students and 3) young adults, i.e. people up to 35 years of age. One of the main assumptions is mutual learning by young people - people in the third age group conduct classes for the second and the second for the first. Thanks to a small age difference, it is easier to establish contact, and thus effectively implement activities. Thanks to the age cascade and further networking, also between cities, a unique educational project will be created. The project will perfectly complement other activities proposed in the application to strengthen social activity in schools and districts, the self-government of young people, and will allow them to enter the next levels of the youth participation ladder.
Wild Childrens' Reserve		Culture	R	The idea of the reserve is based on the definition of play as free activities of children. Young people establish a Reserve and shape it. It is up to young people themselves to decide what and on what terms children play in the Reserve. The reserve team will ensure that youngsters do not run out of anything, and the group of Playworkers will ensure that no one is disturbing the fun. Young people at different age will be able to freely build their own reality while having a great time.

City Academy		YP&S, Education	R	<p>participation and educational program implemented in various city spaces aimed at enabling young people to get to know the city in a multidimensional way, the city as a system, a network of dependencies, a multifunctional space, a place to live and sustainable development. It will provide practical knowledge about how the city functions, what elements it consists of, who lives in it, who and how makes decisions, affects the city, what opportunities the city offers to young people and how young people can influence the city, participate in his transformation, etc. The activities include joint testing of various methods and tools: meetings, research walks, debates, role-playing, prototyping services, tools, e.g. planning, consulting, such as mock-ups, made of various materials, e.g. Lego blocks, block tools by block from Minecraft and other tools supporting the process of democratizing city design or improving the participation process, especially those that young people will propose themselves. Cooperation with individual groups will end with their own activities in the city, but it is the participants who will decide in which direction a given project will go and will be largely responsible for its result.</p>
Youth Inspires Neighborhoods		Culture	R	<p>Interdisciplinary program aimed at increasing participation of young people by boosting their cultural potential in twenty-seven districts of Lublin. The program gives the possibility of universal, unhindered participation in culture, both as a creator and a recipient, by young people in their neighborhoods.</p>
