CULTURE IN DALSKÓLI

Visit from Lublin

WHO ARE WE?

- Workplace with 420 elementary children and 180 kindergarteners and 140 staffmembers
- HAPPINESS IS A JOURNEY

Hand in hand: elementary, playschool and leisure

OUR VISION

- In our school we want everybody to feel good and that the children get to flourish through the school experience
- We cultivate independent practices, initiative, creative thinking and creative work
- We put effort in fostering learning community

WHAT DO WE DO

- Emphasis is placed on a variety of teaching and practice and student collaboration.
- An emphasis is placed on the integration of subjects and thematic studies.
- We put effort in fostering Learning community among the staff (action research, study meetings, evaluation meetings)
- We are implementing Formative assessment (Shirley Clark, Carol Dweck, James Nottingham)
- Reggio Emilia in kindergarten

- The act of turning new and imaginative ideas into reality
– that is the challenge

How do you foster this:

- Creative thinking
- Creative discussions
- Creative school
