Letter of Intent for Associated Managing Authorities – URBACT TN11 HerO

Dear Madam, Sir,

As stated in the Final Application form for the project

"Heritage as Opportunity (HerO) - Sustainable Management Strategies for Vital Historic Urban Landscapes"

the Managing Authority Marshall's Office of Lubelskie Voivodship confirms its intention to take part in the implementation of the above mentioned project as Associated Managing Authority. We acknowledge the fact that no financial contribution is needed.

The specific challenge we wish to address in this project as an Associated Managing Authority is

- to take part in the HerO network activities and especially in milestone meetings.
- to exchange on possibilities for implementation of actions identified within the Local Action Plans by taking into account possible links to local/regional Structural Funding Programmes.
- to get the opportunity to establish links to other MAs and exchange views on the way Structural Funds are managed in other EU countries and regions.

We are convinced that by working through this URBACT project, we will be able to better address this challenge. In this context, if the proposal is approved within the framework of the URBACT II Programme, we will participate in the project as indicated in the Final Application in the view to foster the impact of the project activities on local policies.

Yours sincerely¹

z up. MARSZAŁKA WOJEWÓDZTWA
