Dear Madam, Sir,

As stated in the Final Application form for the project HERO, the Managing Authority, Dirección General de Economía de la Generalitat Valenciana confirms its intention to take part in the implementation of the above mentioned project as Associated Managing Authority. We acknowledge the fact that no financial contribution is needed.

The specific challenge we wish to address in this project as an Associated Managing Authority is to support HERO as a member of the Local Support Group in the Local Action Plan to be developed during the project.

We are convinced that by working through this URBACT project, we will be able to better address this challenge. In this context, if the proposal is approved within the framework of the URBACT II Programme, we will participate in the project as indicated in the Final Application in the view to foster the impact of the project activities on local policies.

Yours sincerely

PABLO LANDECHO
DIRECCION GENERAL DE ECONOMIA
