Dear Madam, Sir,

As stated in the Final Application form for the project "Heritage as Opportunity (Hero) – Sustainable Management Strategies for Vital Historic Urban Landscapes", the Managing Authority - the Planning and Priorities Coordination Division in Malta confirms its support in the above-mentioned project as an Associated Managing Authority within the parameters of the ERDF implementation system in Malta. We acknowledge the fact that no financial contribution is needed.

The specific challenge we wish to address in this project as an Associated Managing Authority is to get the opportunity to establish links to other MAs and exchange views on the way Structural Funds are managed in other EU countries and regions.

Yours sincerely
