Dear Madam, Sir,

The City of Lublin confirms its commitment to be Project Partner in the activities of the URBACT *Action Planning Network* proposal entitled *SECOND Chance* led by the city of Naples.

The specific challenge we wish to address in this *Action Planning Network* as a Project Partner is to find and try out new ways/ process qualities and planning methods to revive large derelict buildings and building complexes, that have lost their original purpose, to bring them in use, to rehabilitate them.

We are convinced that by working through this URBACT network, we will be able to better address these challenges. In this context, if the proposal is approved within the framework of the URBACT III Programme, we will participate in the project, take on roles and implement activities as indicated in the Phase 1 work plan. More especially, we commit to participate in the transnational meetings planned, to contribute to the production of the Baseline study, to identify key stakeholders to be involved and to contribute to the production of the Phase 2 Application.

To this end we also formally commit to engage the funds needed to co-finance ERDF. The details of this contribution are outlined within the Phase 1 application.

Yours sincerely¹

KRZYSZTOF ŻUK

MAYOR OF LUBLIN
