Internal agreements must be made regarding provisions for interpreting between English language and other languages at seminars and workshops if necessary. The URBACT communication language is English. This applies as a general rule to all communication tools/ material.

§ 6 Budgetary principles
6.1 The Lead Partner is the sole responsible party toward the Managing Authority for the budgetary and financial management of the project. It shall be responsible for the realisation and the transfer of the project’s payment claims to the Managing Authority/URBACT Secretariat and requests for modification of the budget to the URBACT III Monitoring Committee.

6.2 The project budget approved by the Monitoring Committee shall determine the sum total of eligible expenditure, as well as its breakdown into the various items of expenditure.

6.3 As indicated in the URBACT III Programme manual if the network Phase 2 is not approved by the Monitoring Committee, the project will be allowed to declare total eligible expenditure incurred during Phase 1 up to the amount approved for Phase 1. The ERDF co-financing will be calculated applying the Project Partners funding rate to the claimed eligible expenditure.

6.4 The Lead Partner must ensure the correctness of the accounting and financial reports and documents drawn up by the Project Partners. The Lead Partner may request further information, documentation and evidence from the Project Partners to that effect.

6.5 Every Project Partner shall be held responsible for its budget up to the amount as to which it participates in the operation and pledges to release its part of the co-funding.

6.6 Every Project Partner commits to keeping separate accounts solely used for the project or at least a project code to identify cost linked to the project. The official currency of the programme is € and all payment of ERDF will be made in euro.

6.7 All partners, including the Lead Partner, are obliged to have their accounting certified by a first level controller independent of the project’s activities. The signed certificates and statements of expenditure shall be submitted by the Project Partners to the Lead Partner, in accordance with the schedule and requirements stipulated by the Lead Partner. If required by the Lead Partner, these documents shall include copies of all pieces of evidence (invoices, documents related to tender, bank statements, etc.

6.8 The Lead Partner is responsible for sending to the Managing Authority/URBACT Secretariat the project’s certificates and statements of expenditure and the payment claim in accordance with the timing and procedures described in the Programme manual. The Lead Partner is also responsible for receiving the ERDF payment by the Certifying Authority and for refunding in a due time the PP on the basis of their certified expenditure.

6.9 In default of evidence or in the event of non-fulfilment of the rules concerning eligibility of expenditure, the Lead Partner shall ask the Project Partners to redraft the submitted financial documents. In case of repeated non-fulfilment, the Lead
Partner shall inform the URBACT Secretariat who shall provide its assistance to solve the issue. If necessary, and with the consensus of the URBACT Secretariat, the Lead Partner may be entitled to deny the expenditure declared by a Project Partner. When taking this decision, the Lead Partner is obliged to inform both the Project Partner concerned and the URBACT Secretariat regarding the denial of the expenditure declared and the reasons behind.

6.10 In the event of total or partial incompletion of the obligations of any of the Project Partners or in the event of material errors in the effective execution of project activities, each cosignatory member of the present Joint Convention undertakes to reimburse the Lead Partner any funds that have been unduly received, within the month following notification.

6.11 Every Project Partner is obliged to promptly inform the Lead Partner and to provide the latter with all the useful details should there be events that could jeopardise the implementation of the project.

6.12 Should one of the Project Partners be in default, the Lead Partner shall require them to comply within a reasonable period of time (one month maximum).

6.13 Should the non-fulfilment of obligations continue, the Lead Partner may decide to debar the Project Partner concerned from the project. The Managing Authority shall be promptly informed of such a decision. The debarred partner is obliged to refund to the Lead Partner any Programme funds received which they cannot prove on the day of debarring that they used for the implementation of the project according to the definition of eligible expenses stated in the Programme rules.

6.14 In cases where the non-fulfilment of a partner’s obligations has financial consequences for the funding of the project as a whole, the Lead Partner may demand compensation to cover the sum involved.

6.15 Should the Managing Authority be forced to reduce or discontinue the grant and should this entail full or partial refunding of the URBACT III Operational Programme funds already transferred, every Project Partner is obliged to refund the funds (by way of the Lead Partner) according to the final financial settlement.

6.16 In order to avoid that in the situation described under Article 6.15 only the Lead Partner has to bring the financial consequences of the budget reduction, the final financial settlement, drawn up on the basis of the final expenditure certificate approved or denied by Managing Authority, shall show, both for the overall project as well as for every partner, the status of the eligible expenses approved by the Monitoring Committee. This determines the amount every partner and the Lead Partner must refund should the Managing Authority claim such funds from the project (by way of the Lead Partner).

§ 7 Financial management system
Lead Partner and Project Partners jointly decide to set up the type of project financial management in a decentralised system.

The decentralised financial management implies that the project Partners are responsible for the proportion of the budget assigned to them (an overview with the budget distribution per partner is attached in Annex I) and shall keep, spend, account in SYNERGIE CTE 14-20 and certify their own expenditures. The first level control on the expenditure shall be done at the level of each partner.

In particular, each partner:

- spends, accounts and certifies its own contribution in compliance with the national and EU regulations and respecting the Programme internal rules;

- spends, accounts and certifies its own contribution according to the project’s payment forecast;

- provides the Lead Partner with the certificate and statement of expenditures signed by the appointed first level controllers during each reporting period. This must be sent within 2 months after the end of each six – months reporting period to allow the Lead Partner to produce the global payment claim within the fixed deadlines: for the I Phase, the six months reporting period ends on 15 March 2016;

- ensures that the expenditure accounted and certified by the partners is entered into the correct budget categories without exceeding the maximum available amount, keeping in mind the flexibility of 20% in each budget category.

Particularly, the total local co-financing contribution of Less Developed Region Partners is 13.800,00 Euros and the total local co-financing contribution of Transition Region Partner is 1.200,00 Euros.

Additional information is available in Fact sheets 2e and 2f of the Programme manual.

The URBACT Secretariat is responsible for the practical administration of changes within the running operations.

8.3 Any major changes related to partnership (e.g. drop out or replacement of partners, etc.), to activities (e.g. extension of duration, change on the work programme, etc.) and to budget should as much as possible be avoided. However, when duly justified, these changes may be approved by the Monitoring Committee through a reprogramming procedure as described in the Programme manual. No reprogramming is possible during Phase 1.

8.4 As a basic rule, Lead Partner should inform the URBACT Secretariat as soon as they are aware of a possible major change in their project.

8.5 Before applying for a financial reallocation from one budget line to another, a change in the work programme, or any other major change in the framework of a reprogramming procedure, the Lead Partner shall obtain the approval of its Project Partners.
