INTERNATIONAL COOPERATION CENTRE

!!! for your attention: NEW CONTACT NUMBERS since 1st November !!!

International Cooperation Centre is located in the **Department of the Mayor** and its main functions are:

- to initiate, design, and coordinate the City of Lublin plans of international cooperation;
- to initiate and administer the City of Lublin international contacts with EU institutions and partner cities;
- to assist the City organizational units and departments in implementing international programmes and projects to the benefit of Lublin and its residents;
- to promote, in cooperation with the Mayor's Chancellery, Lublin potential in economy, culture, tourism, and academic education on the international arena;
- to support and disseminate the idea of local government and civil society, in cooperation with other countries' local and regional communities, by exchanging good practices and hitherto experience;
- to support the international share of expertise on issues regarding local government and city management, based on good governance principles and civil society building;
- to collaborate with other local governments and institutions, government administration, and NGO entities in the field of international programmes and projects;
- to organise and manage financial affairs of foreign visits carried out by the City of Lublin employees.
