Mobile Application Visit Lublin

<https://lublin.eu/en/what-to-see-do/tourist-culture-information/mobile-application-visit-lublin/>

The **Visit Lublin** Application is a free tool that is useful to both tourists and residents of Lublin. The application users can choose places from particular categories, browse recommended routes and add interesting places and events to their handy guide thanks to the planner service. In an extensive database of places, you can find something for yourself - apart from the tourist attractions, we recommend dining places and accommodation, the places of practicing sports, recreation and entertainment. The application will lead you to monuments, museums, shops, restaurants, cinemas and theaters, it will help you to discover Lublin architecture. Every place has a description, photos and map assignment. The application is also a reliable, up-to-date informer about events in the city. In the application calendar you can check information about concerts, theater performances, sporting events, art exhibitions, educational and development workshops and many other fantastic events taking place in the city. When using the Visit Lublin Application, it is worth taking a walk with an audio guide around the Old Town.

The application works both offline and online. The intuitive interface allows you to quickly find interesting information and thanks to the GPS location, the user can easily find selected facility and event.
